## MISSION

Since 1993 S.P.I.E.S. has been providing exceptional summer educational services to students who had experienced difficulty in reading, writing, or mathematics at the elementary level. Its goal is to continue to support the mission and vision of LMSD by creating a bridge of learning that extends beyond the traditional school year.

## PROGRAM

The S.P.I.E.S. program runs for six weeks from June 26 to August 2. The school day begins at 9 AM and ends at 1 PM. The typical day includes reading, writing, mathematics and activities involving computers, music, and the library. Students bring a lunch daily and enjoy a recess period. One field trip is planned and the cost is included in the registration fee. The program fee is \$ 625. A \$50 nonrefundable deposit is required at the time of registration.

## ATTENDANCE / TRANSPORTATION

In order to maximize the learning that occurs during a summer program we expect our students to attend the entire six week program to receive the full benefits of the program. Absences can prevent students from receiving the full benefit of the program. Chronic absences from the program will result in a meeting with the S.P.I.E.S. principal. Parents/Guardians who have prior knowledge of family commitments must inform the S.P.I.E.S staff during the registration process.

Transportation is provided by Lower Merion School District. Students are picked up at their designated bus stops and arrive to school no later than 9:00AM. Students are dismissed from class to the bus line up at 12:50PM and leave campus at exactly 1:00PM.

If you are interested in joining our SPIES family this summer, please fill out the registration form on the following page and return it to the reading specialist in your child's school or mail it to:
