Power Point Presentation [click here](#)

Sample Questions from attendees:

- What is the role of minus vs plus for grades and particularly in the "A" letter grade?
- Survey of "students" was that all students?
- College transcripts for current students how is LMSD sending changing grading system information?
- What are the "Core Grades" that are sent to higher education?
- Why not breakdown grading in 10's and use straight letters?
- Is this policy finished and is this a communication or is this still an opportunity for input?
- Impact on student and stress and the changing in the grading policy.
- Will there be any grandfathering of junior/senior students to the old grading policy vs. the new policy?

Please send any other questions to grubermay@mac.com to be forwarded to Steve Barbato re: new grading policy.
