

Penn Wynne

January Community Service Update

Jump Up & Help Haiti

- During PE from January 25th thru the 29th students can jump as many times as possible in 5 minutes to earn money. They can also jump during recess or at home to earn additional money.
- Donations can be for number of times jumped or a flat donation amount.
- The money earned will be sent to Unicef to buy Recreation Kits containing jump ropes, chalk, Frisbees, balls, books, etc for the children of Haiti.

Please contact Abby Rankin or Ashley Grieco with any questions. Thank you in advance your help in supporting our efforts to help Haiti.

You can visit these websites for more information on Unicef & LMSD's giving opportunities:
