

Type Country Name Here

**DIRECTIONS FOR  
PICTURE BOXES**

1. Click on the picture box above and copy and paste up to three boxes for your pictures about the country. They should fit into this column.
2. To place the pictures in the box, double click on the picture box until a pencil icon appears.
3. Have the folder where the photo file is stored showing on the desktop, then drag a picture file into the box.
4. Click on the picture and position it to the top left corner of the box.
5. Once you click off the picture, you will no longer be able to reposition it within the box.
6. Delete this text box when you are finished.
