

Native American Preview

- I. Using the link below for your tribe, explore the internet sites to find four interesting facts and pictures about your tribe.

[Aztec](#)

[Inca](#)

[Inuit](#)

[Maya](#)

[Northwest/Totem Pole](#)

[Pueblo/Anasazi](#)

- II. Create a presentation page for each interesting fact that includes a picture or graphic with a caption.

- III. Proofread your presentation page and then save it in:

Belmont Hills Shared/Staff-Student Shared/Fifth Grade/Class Folder/Tribe

- IV. Combine each group member's separate presentation page into one document and create a slideshow.

- A. Create a new document for the title page of your slide show.
- B. Save it with your tribe's name and the word "preview."
- C. Decide the order the slides in your presentation. One at a time, using the INSERT command in the FILE menu, import each person's presentation page into the slideshow document.
- D. Save your slideshow document.
- E. Go to the WINDOW menu, and click on SLIDESHOW to view your slideshow.

EXTENSION (If you finish early):

Find and add the following information to your slideshow:

- A. the approximate date your tribe's civilization began
- B. the approximate date your tribe was affected by European exploration
