

LMSD Tech Mentor Program

Applications for new 2008-2009 Mentors

Due date May 30, 2008

(Orientation Course required for new Mentors)*

Information and application packets are available from the main office of your school or in the District Forms folder directory on the District Admin Shared server or online:

<http://www.lmsd.org/staff/techmentor>

Ready for a new challenge?

If you take pride in your teaching practice, if you believe technology is an important teaching and learning tool, and if you like working closely with your colleagues, YOU may be a good mentor candidate.

Extensive technology proficiency is NOT the program focus. Applicants must be a contracted professional (LTS ineligible).

You will need to submit a written statement, complete a self-assessment, and gather written endorsements from a principal or assistant principal and one or more fellow teachers (current Mentor and student endorsements are optional) so please pick up a packet soon to meet the application deadline.

Questions? Please call the Technology Office (610) 645-1925.

* Continuing Professional Education, PDE-approved course:

Tentative orientation session dates/times are listed in application packet.

Please Post for Professional Staff
