

Deciding When to Implement Technology

Use Technology When It...

- *Enhances the educational experience*
- *Enables new experiences and possibilities*
- *Connects people and ideas*
- *Automates and Informs*

Avoid Technology If It...

- *Takes too long to set up or learn to use*
- *Is not reasonably reliable or frustrates users*
- *Overwhelms or obscures educational purpose*
- *Is more exasperating than exhilarating*
- *Is irrelevant or unnecessary*
- *Is used for its own sake*
