

Strategic Plan Pathway Teams Meeting
December 15, 2015

Important Ideas About The Strategic Plan: <ul style="list-style-type: none"> • The strategic plan, rooted in the District's mission, is a way to achieve the District's vision. • The strategic plan's primary responsibility is to ensure high-quality learning outcomes for all students. • The strategic plan was collaboratively created through dialogue and consensus; its implementation should similarly leverage dialogue and consensus-building. • Pathway team members are ambassadors of the plan and change agents. 	Action Planning Guiding Questions: <ul style="list-style-type: none"> • Is the connectedness between identified big ideas and strategies clear? If not, what additional support or resources are needed to clarify? • What do identified strategies "look" like across a K-12 continuum? • How will strategies benefit student learning? • Are there examples of strategy-in-action already in the District that could be studied for up scale? • Do additional strategies need to be identified in order to achieve the big idea?
