### **Ideas for Value Statements:**

1. Promoting valuable members today for the societies of tomorrow
2. We value continual learning
3. Innovative, collaborative, and inquiring thinking are necessary for students to succeed in the 21<sup>st</sup> century
4. Who we are and what we do matters
5. We value the success of every child
6. We celebrate strengths
7. We value the individual
8. Collegial collaboration and community involvement
9. Students are more than data points
10. Teachers love to learn in order to meet their own professional needs as well as the needs of their students
11. i Innovate, i Collaborate, i Matter
12. Data is never neutral. Multiple data points in multiple forms thoughtfully discussed by multiple people lead to the best decisions
13. We value the global and cultural diversity of our families and community
14. Culturally-responsive teaching creates/empowers globally-aware students
15. Inclusive
16. LMSD promotes and celebrates a culturally diverse mindset
17. We value the whole child and hold multiple definitions of success
18. Questions are as/more important than answers
19. LMSD 20/20 – Bring children's success into focus
20. The strengths of each student will be celebrated. All students will experience success.
