

SHSSAC Meeting Summary

Dec. 15, 2022

1. Introductions
2. Define purpose: Looking at the “how” (not “if” or “when’)
 - a. Honor prior SHSSAC work
 - b. Within current parameters (HS in 2nd tier, pending lights on Arnold Field)
 - c. Review “Modified Reorder” (previously recommended) and analyze “Secondary Swap”
 - d. Work to identify and analyze challenges with “Secondary Swap” (not done in previous work)
3. Secondary Swap Analysis
 - a. Identify challenges together with a general discussion of probability, seriousness and mitigation options
4. Modified Re-order Analysis
 - a. Looking at possible changes due to passage of time, pandemic, new school opening, etc.
 - b. Review previously identified challenges and identify any new challenges together with general discussion of probability, seriousness and mitigation options
5. Complete “Exit Ticket” to share any additional feedback not captured
