PRESENTATIONS
State Rep. Tim Briggs presented the LMSD winners and finalists of his “There Oughta be a Law” competition. Fifth grade students wrote essays about laws in support of environmentalism that they think should be on the books.

Supt. Copeland gave a presentation on the Final Budget for 2019-2020. The presentation, along with the various departmental budget presentations that have been given since January, are available on Board Docs. The total budget is $280,076,847. The tax increase will be 2.3%, which is within the Act 1 index. It comes out to about $166 per year for the average LM homeowner. Many of the increased expenses are related to the District’s growing enrollment.

SUPERINTENDENT’S HIGHLIGHTS
Superintendent Copeland noted that last Tuesday night, 369 Lower Merion High School students received their diplomas. The following night, 328 Harriton seniors received theirs. He added that later this week, our fifth graders and eighth graders will take part in promotion ceremonies, as they prepare to enter new schools in the upcoming year.

He also congratulated the Harriton High School girls’ lacrosse team, which won the Pennsylvania 3A state championship over the weekend by a score of 12-6 and Harriton’s Science Olympiad team, which took third place in Nationals – their 26th consecutive Top Ten finish.

Finally, he noted that our elementary school students have been busy as well. Penn Wynne Elementary hosted a pep rally the day before the Original Alex’s Lemonade Stand was held there. Hundreds of families turned out to support cancer research. And at Cynwyd Elementary, Principal Dr. Dan Martino allowed himself to be slimed after his students raised more than $8000 in honor of a classmate with a rare disease called “A-T.”
