Next meeting: Tuesday, November 12
9:00 AM
District Administrative Offices, room 154

- The minutes from the September executive board meeting were approved unanimously
- Old business / questions
  - There have been no changes to district snow day policy in response to the new PA law
  - Denise LaPera is the “calendar czar” – the person in charge of the district calendar, ensuring that no significant conflicts occur
  - Deborah Finger is the representative from MCIU to the district
- Treasurer report / mini-grants
  - All schools have paid dues, except Belmont Hills and Bala Cynwyd. We will give BC extra time, since they started the year without an HSA president (they have one now).
  - One mini-grant payment is being reworked, because the payment went to the district instead of the recipient.
We have requested that mini-grant recipients communicate with us if they’re making purchases through the business office – so that the district can be reimbursed instead of the mini-grant recipient.

Sindy Agudelo-Nelson is currently working with Laura Banchero on mini-grants, and will take over for the next award year.

- Communications Committee Meeting – Carolyn
  - Announcement of LMSD 101 program, where the district will work with influencers / ambassadors to help disseminate factual information throughout the community.

- School Board Candidates Forum – Lisa
  - Will be held Oct 23 at LM (moved from Welsh Valley)
  - 9 candidates confirmed

- Start Times – Lisa
  - A recommendation will be made at an upcoming special board meeting on Oct. 24
  - A petition has been circulated – but this petition is not being supported by the ISC, as we maintain neutrality.
  - Members of the LMSD community are being encouraged to attend the Oct. 24 meeting, whether they agree or disagree with changing start times.

- Online Directories – Lou
  - The district released PowerSchool data on Sept. 23
  - Harriton has sent their data to Membership Toolkit to be uploaded
  - LMHS is still working out a few data issues, but will be submitting soon
  - The primary issue encountered is that some records don’t contain an email address. The email address is required for a Membership Toolkit account.
  - Lou will address this issue with George Frazier, to see if this could be mandatory (or more highly recommended) next year when we anticipate rolling out to all schools.

- Doaty Follow-up – Ali
  - Met to discuss follow-up activities
  - 2 sessions (1 Nov, 1 Dec) about 1619 podcast
  - Possibly ask Mrs. Groen and her students do panel discussion
  - Event with Doaty in spring - continue conversation from last spring

  - 9/24, BCMS, Caron Foundation substance abuse
  - 10/7, CYN, Substance conversation for ES

    - Creating a new event for them to sponsor
    - Sponsor a mini-grant (or mini-grants)
