

DAILY HOME ILLNESS AND COVID –19 SCREENING FOR STUDENTS

(To be completed prior to coming to school)

STAY HOME IF YOU ARE ILL

Students should stay home when ill and/or potentially contagious even if they have only **one** symptom from either column below or other symptoms not listed below.

Students whose symptoms fit the Health Department COVID-19 Screening/Testing criteria below must stay home for 10 days or have a negative PCR COVID-19 test or a differential diagnosis from a health care provider.

Your child may not come to school if they test positive for, show symptoms consistent with, have been exposed to, are waiting to get tested or are waiting for test results for COVID-19.

Please call your health care provider or your School Nurse with questions.
