Taking a Closer Look at Gifted Education

Lower Merion School District

December 1, 2016
Gifted Services Overview

Dr. Percell Whittaker
Lead Supervisor of Clinical Services and Gifted Education

Dr. Kristina Ayers Paul
Special System for Program Evaluation
Provides guidance for Special Education for Gifted Students, which requires Districts to provide:

- Services and programs planned, developed, and operated for the identification and evaluation of each gifted student.

- Gifted education for each gifted student, which is based on the unique needs of the student, not solely on the student’s classification.

- Gifted education for gifted students, which enables them to participate in acceleration or enrichment programs, or both, as appropriate, and to receive services according to their intellectual and academic abilities and needs.
Recent Focus Areas of Gifted Support Services in LMSD

- Universal Screening of all first and second grade students each Spring
- Guidelines for the Acceleration of Elementary Students
- Increasing bank of resources/materials for enrichment K-12
- Collaboration with Lower Merion PAGE and Gifted Education Advisory Committee
- Community Outreach

Data Collection Tools & Strategies

- Surveys, focus groups, and interviews with key stakeholder groups
- Document review of, for example:
  - public program documentation
  - public and staff websites
  - a random selection of GIEPs
  - policies and procedures documents
- Analysis of existing student data (e.g. student identification & assessment)
- Observations of programming activities
Information will be collected from representative or purposefully selected samples of the following key stakeholder groups:

- Students & parents of students identified for gifted services
- Students & parents of students who qualified for gifted services but are choosing not to participate
- Parents of students evaluated but found not eligible for gifted services
- Gifted program teachers
- Special education program teachers
- Teachers of special programs (e.g. art, music, AP, IB, honors)
- General education program teachers
- Program leadership
- Building leadership
- Counseling staff
- School Psychologists who administer evaluations for gifted services
