Calling all inventors, creators, builders, and designers! Come build awesome creations with us! We will create our own designs and build structures using recyclable materials, building blocks, and many other interesting items. No skills necessary! Skills gained: communication, problem solving, reasoning, developing creativity, and team work.

Calling all wizard fans! This is like no other class you have ever experienced. We will take a magical journey into the world of wizards. We will design trading cards, make a personal crest, create a treasure hunt, have a Triwizard tournament, and participate in activities that will astound all Muggles.
