

After School Enrichment Programs At Cynwyd Elementary School

Mad Science of West New Jersey

For more information, please call:

609-737-0313

Explore the world around you in this awesome series! Dive into our "Crime Lab" and use forensics to solve a puzzle. Take a closer look at insects in your backyard and uncover the science simple machines while building your very own drag racer. Discover the science behind incredible movie special effects and examine the powerful process that shapes our planet & forms magnificent minerals and glittering gems. Learn the science behind various kinds of toys. Explore the differences between robots, automatons, and remote control devices! There's so much to explore!

Each child will receive a take home summary sheet and take home project at the end of each class!
