

## Did you know that Cynwyd has a School Store?????

### *Who can buy things from the school store?*

The School store is open for all grade levels and parents.

### *Where is the School Store?*

The store is located just outside the gymnasium. (It is more of a School “cabinet” than a School “store.”)

### *When is the School Store open?*

The School Store is ONLY open on Fridays from 8:45 until 9:00.

### *Who runs the School Store?*

It is sponsored by the Cynwyd HSA, but a Cynwyd staff member supervises 4<sup>th</sup> and 5<sup>th</sup> Grade volunteer workers.

### *What kinds of items can I buy in the School Store?*

The store has mainly school supplies, including erasers, pencils, and some other “fun” things.

### *How much money should I bring to buy things from the school store?*

Most items in the store range in price from \$0.25 to \$2.00. The only exception are the Cynwyd car magnets that sell for \$5. **No one** should ever bring in more than \$5 to buy anything from the school store.

**It is strongly recommended that parents/guardians have a discussion with their children BEFORE allowing them to purchase items from the store!**
